So have a browse, dream big, and discover the many ways we can help create a celebration that's as unique, joyful, and full of whimsy as your child.

Let the adventure begin...

# Party Themes

On the following pages, you'll find our current selection of party themes with some inspiration for activities. We encourage you to think of them as starting points for inspiration rather than fixed packages.

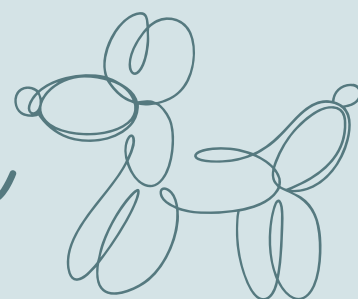

Every Whimsy & Wild party is completely bespoke. Each theme can be adapted to suit any age, from tiny tots celebrating their first birthday to creative pre-teens. Activities, styling, games, and crafts can all be thoughtfully tailored to match your child's interests, personality, and energy, as well as the atmosphere you'd like to create.

No two children are the same - and no two Whimsy & Wild parties are either!

We love dreaming up new ideas and sourcing special pieces to create a party that feels completely unique to your child. After all, a little whimsy can go a long way.

## *Pricing*

Whimsy & Wild parties start from £200, with the final price depending on the theme, number of children, and the accessories, décor, toys, and activities included.

Any elements sourced from external suppliers will be invoiced directly to you by the relevant provider.

Every celebration is completely bespoke, so we'll always create a package tailored to your child and the vision you have for their special day.

# *How It Works*

Planning a magical celebration should feel just as joyful as the party itself. At Whimsy & Wild, we keep the process simple, collaborative, and completely tailored to your child.

## **1. Share Your Ideas**

Get in touch to tell us about the celebration you're planning. We'll chat about your child's age, interests, favourite themes, number of guests, location, and the kind of atmosphere you'd love to create.

## **2. Design Your Party**

Using your ideas as inspiration, we'll create a bespoke party concept. This may include suggested themes, activities, styling ideas, and any optional extras to make the celebration feel truly special.

## **3. Confirm & Book**

Once you're happy with the plan, we'll confirm your booking and secure your date with a deposit. From there, we will prepare all in house elements, as well as act as a liaison between you and other suppliers.

## **4. We Bring the Magic**

On the day, we'll arrive to set up the styling, props, and activities, alongside any partner suppliers. If you've chosen a hosted activity direct from W&W, we'll guide these creative moments so everyone can relax and enjoy the celebration.

## **5. Celebrate & Enjoy**

All that's left for you to do is watch the fun unfold. At the end of the party, we'll pack everything down and leave you with happy memories (and hopefully some very proud little creators!).

If you'd like to start planning, simply get in touch! We'd love to help bring your child's celebration to life.
